SECTION 1 : COMPANY - A BRIEF NOTE

Probuild Contracting LLC is a Dubai based Company established by the Construction Professionals, with more than 2 decades of experience in the Middle East construction industry. Probuild Contracting to deliver the highest standards of finishing works, carefully paying attention to our client's ideas, collaborating in the development of the right scope of work. We develop a unique approach towards each client and each project is a never ending responsibility for us. Behind the name of Probuild Contracting stands an experienced and professional team that works together to deliver and maintain the highest standards of finishing works.

In a relatively short span of time, we wish to complete great number of projects and we continue to work on even more upcoming projects that vary in complexity, size and value.

Regardless of the size, our commitment is to complete every project on time and to the complete satisfaction of our clients.

SECTION 2 : QUALITY POLICY

QUALITY POLICY

We aim to attain business excellence in infrastructure works by meeting and exceeding our customer's expectations in terms of quality, timely completion and safety with absolute compliance to relevant regulatory and obligatory requirements.

Our goal is to remain the preferred contractor by continuous improvement with proper adherence to the Contractor Quality Management System.

QUALITY OBJECTIVES

- Ensure continued satisfaction of our customers by meeting and complying with their requirements as well as the relevant statutory and regulatory requirements.
- Strive for improvements through continuous review and enhancement of our system effectiveness. Ensure that our service is cost effective, reliable, timely and of the highest quality.
- Enhance the skills and competences of our employees in order to be able to effectively respond to the ever-changing requirements of the industry and our clients.

SECTION 3 : HEALTH AND SAFETY POLICY

Probuild Contracting LLC would develop health and safety culture across the organisation, whereby a commitment for prevention of injury to employees and surrounding people affected by our activities. Our prevention to incidents of damage of property, plant and equipment will improve the overall performance of the business.

Our aim to achieve the Goal would be:

- Implementation of effective health and safety management system to ensure all operations are carried out in accordance with local, International or customer specific health and safety practice.
- Appropriate delegation of authority will ensure responsibility for health and safety at all levels within the organisation.
- To strictly comply with all applicable legal laws and internationally accepted work practices and procedures for the protection and promotion of the safety, health and environment.
- To ensure effective training is provided to the employees for their development and improve their capabilities to identify and manage the risks associated with the nature of our work.
